

Post-Conference Placement Deadlines

Note regarding this list: This list is for informational purposes only, to give you an idea of the schools available for post-conference placement. If you see some schools that interest you, please contact the LSU NSE coordinator at dhumble@lsu.edu.

Note regarding deadlines below: You must meet with the LSU NSE coordinator to discuss your options regarding post-conference placement and, if you choose a school, you must turn your application in to the LSU NSE office at least 10 days before the deadlines stated below. Where there is not a deadline stated, the school may or may not be able to accommodate you.

****Regardless of the deadlines below, please keep in mind that any school on the list can close at any time, for any number of reasons. Therefore, even if a school is on the list and has a deadline, it nonetheless may close and not be able to accommodate any spring 2010 students.****
