IV. Course Selection

Students participating in an LSU summer study abroad program are required to take two courses while participating in the program. To be exempted from this requirement, you must have a note in writing from the Program Director of the study abroad program.

Course One: _____ Course Two: _____

V. Authorization and Waiver of Liability

By signing this form, I agree that I have met the prerequisites for the courses I have listed on this form, that I have at least a 2.75 gpa and am not on either scholastic or disciplinary probation. I also agree to fulfill any and all financial and academic obligations to Louisiana State University Agricultural and Mechanical College and others in connection with the LSU in Greece & Turkey summer study abroad program. _____ (initial here)

I understand that failure to fulfill my financial or academic obligations may affect my ability to study on the LSU in Greece & Turkey program through LSU and/or my academic and enrollment status at LSU. I have read and understand the following program terms, conditions and obligations:

- To maintain eligibility in the program, I must satisfy all summer/intersession short-term program admission requirements, including timely payment of all tuition and fees, as described in the program literature. My signature on this document authorizes Academic Programs Abroad to charge the \$500 deposit and program fee to my fee bill. I must fulfill all financial obligations to the LSU in Greece & Turkey program prior to departure.
- I must enroll in six credit hours for the LSU in Greece & Turkey program and remain in good academic standing while participating in the program. All exceptions must be approved in writing by the Program Director.
- I certify that I am not currently on disciplinary or scholastic probation. Should I be placed on disciplinary or scholastic probation for the academic term in which I will be traveling, I will alert Academic Programs Abroad in writing prior to my departure. I understand that I cannot participate in the LSU in Greece & Turkey program while I am on disciplinary or scholastic probation and that I will still be financially responsible for any/all fees incurred by the program on my behalf in the event that I am unable to attend because of disciplinary or academic probation.
- To withdraw from the LSU in Greece & Turkey program, I will submit a request to withdraw in writing to Academic Programs Abroad. I understand that my \$500 deposit will be non-refundable if I withdraw after January 29, 2010. I understand that my LSU in Greece & Turkey program must make payments to service providers on my behalf and that these payments may not be refundable. Therefore, I agree to abide by the following payment schedule in the event that I withdraw from the summer/intersession short-term program:

Withdrawal after January 29, 2010:	\$500 deposit will be paid
Withdrawal after February 23, 2010:	\$500 deposit and \$500 payment will be paid
Withdrawal after March 15, 2010:	\$500 deposit and \$1,000 payment will be paid
Withdrawal after April 2, 2010:	\$500 deposit and entire program fee will be paid

- It is my responsibility to attend all informational meetings concerning the LSU in Greece & Turkey program. I am responsible for submitting, by the applicable deadline, all forms as required by LSU and/or the Program Director.

I understand that submitting this application does not guarantee acceptance into the LSU in Greece & Turkey study abroad program and that I must meet the program requirements listed above and be accepted into the program by Academic Programs Abroad.

I acknowledge that I am above the age of 18 or, if not, that I have secured the signature of my parent or guardian. I have read and understood this agreement, and I agree to the terms and conditions set forth above. No alteration or variation of this agreement shall be valid unless accepted by LSU in writing.
